The screenshot shows a travel planning interface titled "Nathan / Pathbuilder". At the top, it displays "Family Vacation: 8 days - 2 Adults, 2 Children - 4 Tiles + Air \$7505". Below this is a calendar view for January 2002, with a "Path" button and a "Calendar" button. The path visualization shows a flight icon on 27/01 and a right-pointing arrow on 01/02. A message reads "Great news! More travel time. Now, what to do...". Below the message is a grid of six travel options:

| | | |
|------|------|-----|
| 2341 | 1241 | 326 |
| 4732 | 2437 | 124 |

At the bottom right, there is a "Validate path" button with a mouse cursor over it. On the left side, there is a "My Tiles" sidebar with a "Find Air" button at the bottom.
